Description: Very friendly, energetic loving dog. NEEDS a home with large yard and owners willing to give lots of attention/exercise. He is extremely smart and housebroken. He would love to live on a farm with daily jobs for him to do. Plays very well with other dogs yet he doesn't understand that cats don't want to play with him but gets along with them to an extent. Would be willing to drop off. He is neutered and fully up to date with shots and vaccinations. Please contact me at (312)632-9716 for additional pictures, questions or serious inquiries.
Thanks!
