Description: Very sweet, loving pup . She Needs a good home with someone who has time to train her and work with her, my SO and I work all day and live in a small apartment and do not have the time to train her sadly.... the home we got her from abused her and she is now very timid around people (mostly men) and animals, does well with small dogs but still very timid. She will need some time warming up to her new family but overall is a sweet dog
