Title: Sweet Pup to a Good Home!!!
Breed: Chihuahua/Dachshund
Price: \$ 50
Description: Found the sweet baby scared half to death in our backyard. He is very loving and smart! He is not fixed, but thats a small price to pay for such a loving pup. The price is negotiable, I really just want to find this cutie a safe home full of love and attention. He is shy at first, but opens up after you get to know him. He is great with other dogs, and most people. Please help me find him a home!
