Description: (NO SCAMMERS, interested people only no checks)This is bella she is 3 months going onto 4 on the 7th of next month (Full breed Pitbull) , she has all her shots including a rabies shot. She loves to be outside and play with other dogs but is very hyper! So she needs to be train alittle bit more on that. She also loves being cuddled up and sleep . She knows basic commands like 'sit' 'down' 'paw' and few others, shes also potty trained in the house and also goes outside sometimes. She comes with her food, toys & some other stuff. Im looking for a great home for her and great owners she deserves the best.
