He is loving and wonderful.  
We bought him as a kitten last November.  
We never had a cat before, and my husband happened to be allergic.  
We are looking for a good loving family to take care of him.  
We are asking for the price we paid and the cost of neutering only.  
We will give you the pet bed, the play toy, bowls, litter box, remaining of litter and all other cat accessories we have.
