Description: Looking for a good home for my dog. His name is Roxas he is a 1 year old Beagle/Walker hound mix. He is a very loving and energetic dog and he loves to play and go exploring. I really dont want to part with him but unfortunately I work a lot and my wife is pregnant and we are not able to give him the attention he needs. He is crate trained and house broken and knows basic commands (sit, stay) if possible I'd like him to go to an active family as I said before he's got a lot of energy and loves to play. He has been on petsmarts wellness plan since I've owned him and he has been neutered and all of his shots are up to date. I will include his indoor and outdoor kennels, dog bowls, leash and collar and whatever food, toys and treats he has at the time.
