Description: This sweet little girl is named Maisie! Maisie is 8 years old now and, like her owner, is getting to be an old lady. As far as her breed goes, all we know is that she's some kind of terrier mix. Her favorite pastimes include trying to burrow into your blanket with you, cuddling with you, looking at you pitifully when you're eating food, and receiving love from you. Let's emphasis that last one really quick. Because Maisie is a rescue dog, she requires a little more attention than your average dog. That being said, she would make the perfect pet for someone who is retired, has kids, or can just give her the loving that she needs. Due to being a middle school teacher among other things, I'm not able to be home as often as she deserves and I don't have any other pets to keep her company when I'm not home. So I'm hoping to find someone that can help me and provide the right home environment that this sweet girl really deserves. If you have any questions please feel free to contact me!
