Breed: Shiba Inu  
Age: 5 Year(s)  
Gender: Male  
Price: \$ 750  
Description: Male 5 year old adorable shiba inu for sale. Super well behaved and rarely ever barks. Friendly with people more than with other dogs. Loves attention, cuddles and walking outdoors. Great with kids and loves being around people. We are planning on having another baby and have been traveling quite a bit and he is not receiving as much attention and love like he used to. So if we could find another family to be able to give him those things and take good care of him that would be great. Up to date on all vaccinations and neutered. Never had any health issues. 100% potty trained and will only "go" outside.

Supplies such as a dog bed, toys, hair comb, bowls can be given away for free if new owner wants them.
