Breed: Bangal
Age: 5 Year(s)
Price: \$ 150
Description: This Bangal cats name is sparky, I paid \$1,800 for him but I'm not expecting to get my money back I just want him to find a great home!

He is truly a magnificent cat! He has beautiful green eyes! He loves hunting, playing, napping, and eating of course!

I am very sad that I cannot keep him but he is an only cat in the house type of guy.

He needs a special diet which requires urinary tract food. He cannot have normal cat food!

I have 1 other cat so it was very difficult feeding them at different times and making sure my Bangal cat doesn't eat my other cats food.

Sparky is a gentle giant he is a very big cat!

Approximately 20-30 pounds

He is neutered and has been declawed of his front paws.

I want him to go to a great home that will love him and he will be the only cat in the house and give him the care that he needs!

He gets lots of attention because of how beautiful his pattern and colors are!!

He will come with whatever cat food he has left and his litter box if you would like.

Also, because he is an exotic cat he marks his territory a lot more than normal cats so he needs more litter boxes around the house.
