Pure breed blue eyes kitten. I just bought him from a pet store in westchester NY for \$3221.00 one month ago. I couldn't take care of him due to family emergency back home.

Need to find a loving family for this cute and well trained kitten. I have all his papers with information about his parents and place he was born and with all updated vaccinations.

He is very loving, love to kiss, cuddle, lots affection and playful !

Please let me know if interested. \$ negotiable !
