Gender: Female
Price: \$ 1,500
Description: @K9Coco & Co. Puppies are now available to go home!!! Our puppies are purebred White German Shepherd Dogs.

Our pups are NOT albino. The white coat of our GSDs is from a special (E) gene that produces variations of white/cream coats. Both parents of our puppies are White GSDs. The puppies in this litter are from AKC Registered parents (two different lineages).

You will receive full registration rights with the AKC. You will also receive a copy of the pedigree, full registration rights, a free vet visit, 30 days of free pet insurance, and a puppy warranty. Puppies are raised indoors and both parents (Dam & Sire) are on site, meaning your puppy is socialized with both parents and are exposed to their calm & loyal temperaments.

The puppies are currently 8 weeks old and have received a full vet clearance (clean bill of health) as of August 2nd, 2019. You will receive your puppy

with a vaccine record that reflects their current deworming status as well as their first series of 5in1 shots.

You can check out current photos of our puppies & their parents on Instagram: @K9Coco, which also features daily video updates on our Stories.
