Gender: Male
Price: \$ 5
Description: We are selling two sweet domestic short hair cats. They are not declawed. They are a boy and girl. They are spayed and neutered. They will come with beds and liter box. They were rescues from hurricane florence. The girl cat is very sweet but super shy and a little skittish. The boy cat is also very kind and super friendly. They both love people. We are looking for adoption as we are both allergic, and want them to enjoy a home around people, not in a garage all day.
