Description: Zinny is a loving energetic 8lb pup who just needs a stable loving home. Zinny has had his vaccinations and comes with paperwork. Zinny was born with a black coat that with time had become a trio coat of black, silver and grey (mostly black.) He also comes with a medium sized cage, toys, bed and a play pen. While we love him very much, we just aren't home enough to give him the love he deserves. He is House broken but is also home wee wee pad trained if needed.
