Description: This is our Birdie. She is the protector by nature, but so very sweet. She absolutely loves to play and loves to snuggle even more. She is one of three 12 week old Apple head Siamese Kittens. All are beautifully colored. Her two brothers are seal point and she is the only female and the only seal point tortie. She is particularly interested in playing any games that have to do with hunting or with balls. She's well rounded. She has been raised around dogs and is litter box trained. She Is up to date on deworming and vaccines and has a good bill of health from a her vet. She is just in need of a wonderful forever home. If interested in giving her a wonderful home please text or call me anytime at 253-389-2594  
She is a pet only.
