Title: 7 month old female Siberian Husky
Breed: Siberian Husky
Age: 7 Month(s)
Gender: Female
Price: \$ 450
Description: 7 month old female Siberian Husky. Very friendly and energetic. Would love to keep her but unfortunately I do not have the same amount of time I used to be able to give her the right amount of care and time so I'm looking to get her in a new home that will take good care of her.
