Description: Hi, I'm the mommy of a beautiful, healthy, orange, male bearded dragon named Yosemite. He just turned 2 years old Dec 25, 2018. I've had him since March 2017. I found out I was pregnant in January 2018 and gave birth to my baby boy in October. This was a very unexpected turn in my life and unfortunately with the demands of a baby it's hard for me to give Yosemite all the attention he deserves. I'm only charging \$200 CASH (or your best offer) for Yosemite (\$250) and all of his belongings (enclosure 40 gallon/\$200, everything inside (hammock, drift wood, basking area, bowls), double dome light fixture and bulbs, multivitamin and calcium powder, small carrier that can hold his food. PLEASE ONLY RESPOND IF YOU ARE LOCAL TO THE BAY AREA, knowledgeable about these adorable, funny creatures, have the income (food, vet bills if ever necessary), schedule and environment suitable for his needs.
